

Learn to Play Clinics at Eagles Glenn

Learn to play this season at Eagles Glenn! Our team of PGA of Canada Professionals have the facility, the knowledge, the equipment and most importantly the right attitude to have fun with your young golfer.

Designed for kids aged 5 to 10, the Learn to Play clinics will show the “little eagles” how to putt, chip, pitch and drive the ball. But don’t be surprised if we play a little catch, balance on one leg, or jump through some hoops too. We’re all about developing some of the basic athletic skills like hand eye coordination, balance and agility so your kids succeed in all sports.

We use and follow Future Links programming designed by Golf Canada. Kids in our program will be able to track their progress through <https://futurelinks.golfcanada.ca/>
